Arrival and Dismissal

Preschool students enrolled in the before school care program should wait in the line outside until the 7:45 bell rings. A parent or guardian may wait with the child, then walk with them into the classroom. If arriving after the bell, the child should be brought into the classroom by an adult. The program begins at 7:45.

Preschool students enrolled in the morning Preschool program should be brought into the classroom by an adult no earlier than 8:15. The class begins at 8:30 am. The adult needs to stay long enough to be acknowledged by the preschool director or teacher.

Preschool class dismisses at 11:30 AM if not staying for the afternoon's "Stay and Play." Students dismissing at 11:30 AM will be escorted by the Preschool teacher to the gymnasium door at the back or Dartmouth parking lot. Parents are to enter the gate onto the lot, creating a large, counterclockwise loop, pulling around to the door at dismissal and exiting after pickup. The Preschool child will wait on the steps from the gymnasium door until teacher releases student safely to parent. It is necessary to communicate with the Preschool teachers concerning adult(s) responsible for pick-up at dismissal.

Students that remain for "Stay and Play" are dismissed at 3:00 PM, and will be escorted by the Preschool teacher out the front or Balson parking lot doors. Adults responsible for pick-up of preschooler are to leave their vehicle on front lot to pickup child from teacher. Older siblings may escort child to vehicle or to walk home. Walkers are to exit through school doors on Dartmouth side.

Preschoolers staying for After Care are dismissed by the After Care teacher in the designated After Care room, most often held in the Cafeteria.

Attendance

The Preschool day begins at 8:30 AM. In the event that a student arrives after 10:15 AM, the student is marked ½ day present. Late arrivals prior to 10:15 AM are marked full day present.

Communications

Our school newsletter, "Christ the King Catholic School News" is sent through FAST DIRECT to every school family every Wednesday, (earlier, if Wednesday is a holiday). Once a month, a monthly calendar and school lunch menu will accompany the school newsletter. Other school/parish information is included as needed. In addition to the school newsletter packet, preschool families will receive a newsletter from the preschool director throughout the school year with information as needed, also posted on FAST DIRECT.

Christ the King Preschool

Policies and Procedures

If your child has been prescribed an antibiotic, he/she should not return to school until a full 24-hour dosage has been completed.

Administration of Medication

Ideally, all medication should be given at home. However, some students are able to attend school because of the effectiveness of medication in the treatment of chronic illnesses or disabilities. If a student requires prescribed medication during the school day, the following must be in place:

- the direct order/consent of a licensed physician, licensed physician's assistant or nurse practitioner (*Appendix 1: Physician Consent for Medication Administration*), signed and properly filed with the school. (The current prescription label on the container may serve as a physician's order and physician's orders may be faxed or mailed to the school.);
- written consent of the parent/guardian for school personnel to administer the medication (*Appendix 2: Parental Consent for Medication Administration to their child*);
- the medication in the original container;
- proper training of personnel on medication administration.

All medication sent to the school must be secured in a locked cabinet under the supervision of the administration. Students may not carry medication on their person, with the exception of metered-dose inhalers when properly registered with the school. A trained staff member must be assigned to administer medication. Proper documentation must be kept on every dose given.

Only physicians, physician's assistants and nurse practitioner have prescriptive rights. A parent/guardian cannot prescribe a medication for the school to administer to their child, even non-prescription; nor may the parent/guardian authorize changes in the medication administration. Non-medical personnel cannot administer medication without proper training by a registered nurse. (*Archdiocesan Policy # 4401.4*)

Communicable Diseases

Schools of the Archdiocese of St. Louis will follow the recommended policies and procedures on communicable diseases established by the Missouri Department of Health. (*Archdiocesan Policy # 4401.5*)
